REGIONAL INFORMATION

OPPORTUNITY, MEET AMBITION

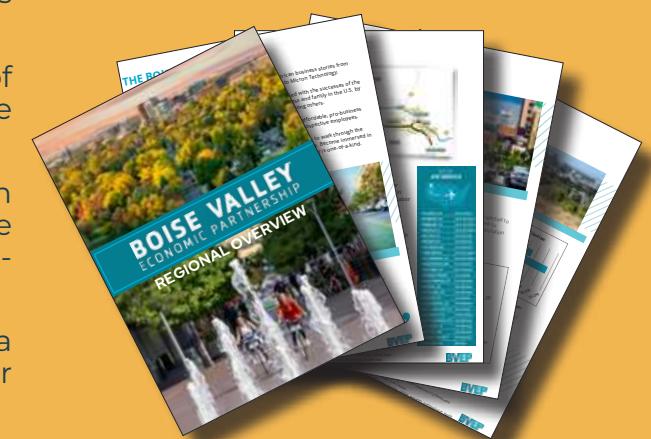

The Boise Valley is an ideal setting for companies looking for an affordable, pro-business environment and a superior quality of life for current and prospective employees.

What's more, the Boise Valley hasn't rested on its laurels, satisfied with the successes of the past. It consistently ranks among the top 10 locations for business and family in the U.S. by the Wall Street Journal, Kiplinger's and Forbes, among others.

It truly stands out from the other mid-sized metros. Take a minute to walk through the downtown and experience the big city feel and small town friendliness. Become immersed in the local adventure opportunities. It's obvious that the Boise Valley is one-of-a-kind.

Boise Metro consistently ranks among the top 10 metros for net migration, making it a prime destination for relocation. Whether you're a recent graduate, a young family, or anyone seeking a great place to live, Boise offers a good life for all.

Each community in the Boise Metro has a flavor and personality of its own, yet the connectivity of the region allows you to live in one and work and play in another without sacrificing family time for commute time. We call it the 5-mile lifestyle. From urban living in a vibrant downtown to homes nestled in a cozy community surrounded by open farmland, there are many ways to live in the Boise Metro.
