Most of the sixteen units have been thoughtfully updated with modern kitchens featuring quartz countertops, stylish backsplashes, laminate hardwood flooring, and stainless steel appliances. Bathrooms have been refreshed with new shower surrounds and updated flooring, while additional interior upgrades include new wall heaters and premium carpeting.

The exterior has also been significantly improved with a fresh, contemporary paint scheme, new entry doors, and updated wood siding at both the front and rear of the building. System upgrades include a new electrical main connection and a replaced sewer line.
