TACOMA

Tacoma is the 3rd largest city in Washington State and consistently ranked as one of the fastest growing.

Located 40 minutes south of Seattle, Tacoma is anchored by a diverse mix of established and globally recognized companies such as Amazon, Boeing, Infoblox, NewCold, REI, and Tool Gauge. Their presence creates a strong business ecosystem, promotes local job growth, and provides a solid foundation for further economic development. The City of Tacoma is forecasting for 127,000 additional residents and 97,000 jobs by 2040.

Tacoma's rich history is reflected in its architecture, with charming historic buildings lining the streets of downtown. The city's cultural scene is thriving, with numerous museums, galleries, and theaters showcasing local art and performances. Visitors can explore the eclectic mix of shops and eateries, sampling everything from gourmet cuisine to street food.

Furthermore, Tacoma's proximity to outdoor recreational opportunities makes it a haven for nature enthusiasts. The surrounding landscape offers hiking trails, parks, and waterfront promenades, inviting residents to embrace an active lifestyle. With its strong sense of community and welcoming atmosphere, Tacoma continues to attract individuals seeking a balance between urban living and natural beauty.

PUGET SOUND OVERVIEW

Puget Sound (Pierce and King County) is home to over 40% of Washington State's population

As well as a national center for manufacturing, technology, services, international trade and tourism. Some of the world's most recognizable companies call the

Puget Sound home: Microsoft, Starbucks, Amazon, T-Mobile, Nordstrom, and Costco. The region is projected to generate 1.2 million new jobs by 2040.

Seattle has remained one of the most resilient cities due to its diverse industries. The city accounts for over 20% of the nation's software publishing employment. Healthcare employment is projected to continue to grow

dramatically and Seattle has the 5th largest biotechnology Research and Development alliance in the University of Washington and the Fred Hutchinson Cancer Research

Center. This is in addition to remaining one of the capitals of aerospace and computing.

Combine that with the superb quality of life in the Pacific Northwest, a world-class arts scene, professional sports teams, and culinary delights from some of the country's top chefs, and you've got a great place to do business where employees are happy to call "home."
