EXCLUSIVE REPRESENTATION

Kidder Mathews is the exclusive Listing Brokerage for this Offering, Austin Kelley and Ted Sipila are exclusively representing the Seller in the sale of individual fourplexes.

INVESTMENT SUMMARY

Kidder Mathews is pleased to present the Timber Heights 4-plexes for sale. Two well-maintained 4-plex properties located in Kent, Washington, providing investors the opportunity to acquire a small multifamily portfolio or purchase each asset individually. The properties may be sold together or to separate buyers, offering flexibility to both owner-operators and passive investors.

Both 4-plexes have benefited from recent capital improvements, including updated property systems and new roofs, reducing near-term maintenance risk and supporting long-term operational stability. The buildings feature modernized interior finishes, creating strong tenant appeal and supporting stable occupancy in a high-demand rental market.

The combination of updated interiors, improved building systems, and efficient layouts positions the properties as attractive, low-management investments with predictable cash flow for years to come.

Located in Kent, WA, the assets benefit from proximity to major employment centers, transportation corridors, and retail amenities throughout the South Sound region. This offering presents an excellent opportunity to acquire stabilized multifamily assets in a supply-constrained market.

OFFER REQUIREMENTS

All offers must be submitted to Austin Kelley and Ted Sipila must include the following terms and information:

- Purchase Price
- Earnest money deposit, including non-refundable portion and timing of deposits
- Timing for due diligence and post-diligence closing period
- Source of funds for acquisition

PROPERTY TOURS

All property tours will be conducted exclusively by Austin Kelley or Ted Sipila by appointment only. To learn more about this opportunity, please contact the Listing Brokers directly.

Notes & Assumptions

CURRENT OPERATIONS

For underwriting, we annualized all the current leases at the property. Vacant units are filled with market rents. Utility recapture is set to 85% and other income is based on in-place amounts.

Expense assumptions are based on trailing amounts for non-controllable expenses (taxes, insurance and utilities), and controllable expenses are based on market averages for properties of similar size and vintage. .

STABILIZED OPERATIONS

For underwriting we're assuming all units are achieving market rents. Other income adjusted to market averages for comparable units of size, building vintage and interior finish.

Expense assumptions are the same as current amounts.
