NAI Puget Sound
Properties

Offering Summary

NAI Puget Sound Properties is pleased to present for sale an opportunity to acquire a well-located industrial asset in the heart of Auburn's established industrial and commercial corridor.

The property sits on 1-acre lot and is improved by a 4,614 SF office/shop building, a 2,100 SF paint booth, and 5,070 SF of metal shed building (includes lighting and heavy power). The property is ideally zoned M2, which permits a wide array of industrial uses, including heavy industrial and manufacturing.

The current tenant is vacating the property as of January 31, 2026, creating an opportunity for an owner-user to purchase the facility for their operations.

Investment Highlights

+ OWNER-USER OPPORTUNITY

The current tenant is vacating the site as of January 31, 2026, creating the opportunity for an owner-user buyer to purchase the property for their operations.

+ HIGHLY FUNCTIONAL INDUSTRIAL FACILITY

The site includes heavy power, grade-level loading, a quality office build-out, a clear span shop space, an unenclosed metal shed structure (includes power and lighting), a freestanding paint booth, and additional fenced and secure yard area.

+ RARE PAINT BOOTH INCLUDED IN SALE

The property comes equipped with an extremely rare, oversized paint booth. The freestanding 2,100 SF metal structure enclosing the paint booth measures 22'- 31' high and includes two 18' roll-up doors. The booth itself is benefitted by state-of-the-art air quality systems and is large enough to paint heavy equipment, machinery, as well as vehicles.

+ IDEAL INDUSTRIAL ZONING

The property is ideally zoned M2, which permits light-to-heavy manufacturing, contractor yards, outdoor storage, as well as all automotive related uses, such as autobody, auto repair, tow yards, etc.

+ LOCATED IN HIGHLY DESIRABLE KENT VALLEY INDUSTRIAL MARKET

Kent Valley stands out as a strategically located, infrastructure-rich industrial market with deep roots in aerospace and advanced manufacturing, strong logistics connectivity, and continued growth potential — making it one of the most significant industrial corridors on the west coast.
