INVESTMENT HIGHLIGHTS

Owner/User Opportunity

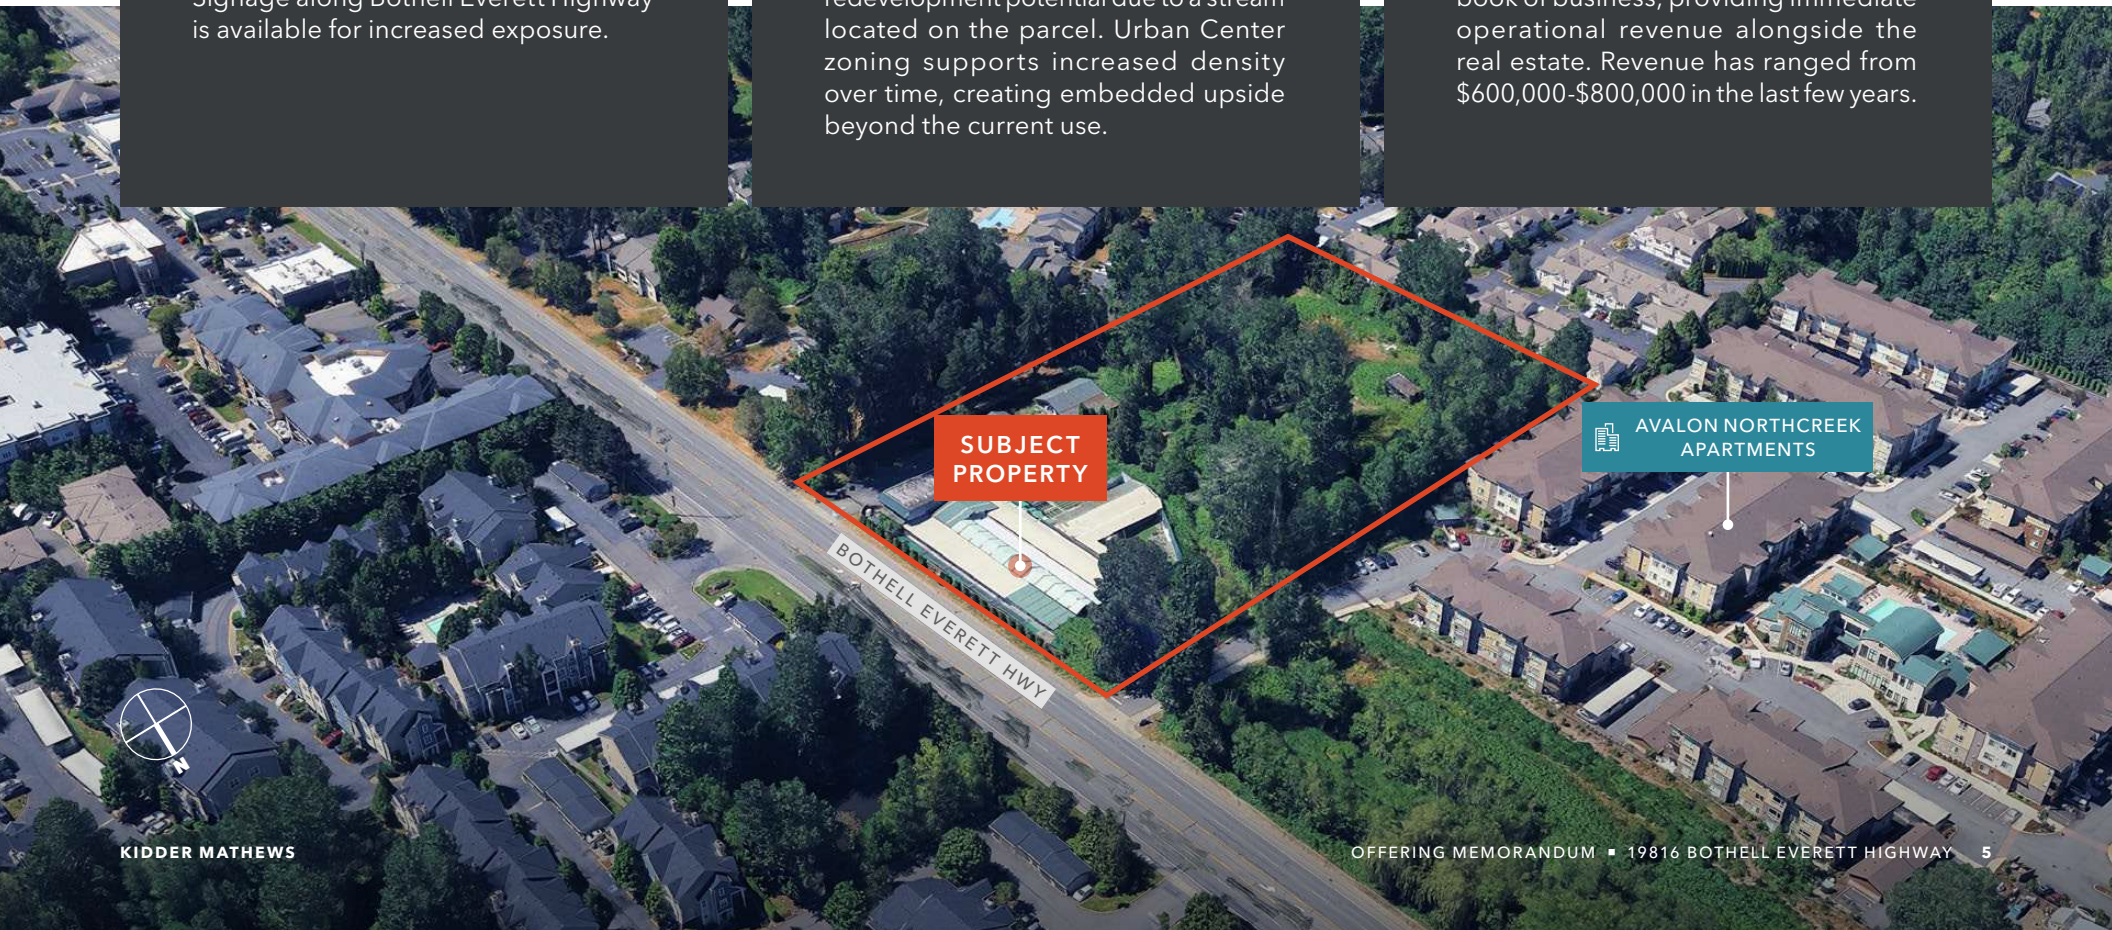

Opportunity to acquire a vacant 20,600 RSF purpose built facility along Bothell Everett Highway. Buyers can seamlessly rebrand and build up their existing operations with minimal renovations. Signage along Bothell Everett Highway is available for increased exposure.

Excess Land

The 3.82-acre site provides meaningful excess land relative to the existing improvements, offering flexibility for future expansion and additional outdoor use. The back portion has limited redevelopment potential due to a stream located on the parcel. Urban Center zoning supports increased density over time, creating embedded upside beyond the current use.

Existing Infrastructure

The property includes a fully built-out operational facility with multiple boarding facilities and extensive outdoor play yards. The offering also includes the opportunity to acquire an existing book of business, providing immediate operational revenue alongside the real estate. Revenue has ranged from \$600,000-\$800,000 in the last few years.
