EXECUTIVE SUMMARY

The Rants Group is pleased to present the Security & White Buildings, a 44,419 square foot mixed-use investment portfolio located at the prominent corner of 4th Avenue and Washington Street in Downtown Olympia. **Currently 93% occupied across 95 tenant spaces, the property provides stabilized income with exceptional rent roll diversification and limited exposure to any single tenant.**

Offered at \$4,100,000, the portfolio delivers a high going-in cap rate, providing investors with immediate, above-market cash flow in Washington's capital city. The income stream is supported by a balanced mix of professional office suites and ground-floor retail tenants, with strong demand for smaller executive spaces in Olympia's downtown core.

The portfolio consists of the five-story Security Building (31,459 SF) and the adjacent White Building (12,960 SF), offering a complementary blend of historic character and functional suite layouts. Recent capital improvements — including a boiler replacement (2023) and elevator updates (2024) — reduce near-term capital expenditure risk while preserving the integrity of these landmark buildings.

With strong occupancy, diversified tenancy, completed capital upgrades, and long-term downtown positioning, the Security & White Buildings present a compelling opportunity for investors seeking high yield and durable cash flow in a supply-constrained market.
