## 5705 W Clearwater Ave

Kennewick, Washington 99336

### Property Overview

This highly visible 4.828-acre commercial development opportunity sits directly on Clearwater Avenue, one of the most active retail and commuter corridors in the Tri-Cities. With excellent frontage and access, the property offers a rare opportunity for a business owner or developer to secure a large footprint in a high-traffic location that naturally attracts customers and daily commuters. The site's relatively flat topography supports cost-efficient development and allows flexible site layouts, whether for a single flagship business or a multi-tenant commercial project.

The Community Commercial zoning designation provides exceptional versatility, supporting a wide range of permitted uses such as medical, restaurants, groceries, breweries, hotels, clinics, grocery stores, offices, fitness facilities, and many other commercial services.

This flexibility makes the property ideal for developers seeking a mixed-use retail center or for businesses looking to build a prominent, high-exposure location in one of Kennewick's most dynamic commercial corridors.
