NAVAL BASE KITSAP

Naval Base Kitsap is the U.S. Navy's largest military complex in the Northwest region. NBK is comprised of naval installations at Bremerton, Puget Sound, Bangor, Manchester, Indian Island, and Keyport. Kitsap is the Navy's third largest base. Naval Base Kitsap includes a nuclear shipyard, a strategic nuclear weapons facility, a Nimitz-class aircraft carrier capable dry dock, and the Navy's largest defense fuel depot.

The Puget Sound Naval Shipyard is on the brink of a monumental overhaul, termed a "once-in-a-century effort." With one of its dry docks set to become obsolete, a \$667 million seismic update is urgently needed to accommodate the Navy's future: the Gerald Ford-class aircraft carriers, Virginia-class attack subs, and the forthcoming Columbia class with ballistic missile capabilities. This initiative marks an \$8 billion investment by the Navy to revitalize this crucial shipyard. Contracts have been inked with five companies to compete for a decade-long modernization project across Puget Sound's docks and infrastructure.

DEFENSE MANUFACTURING

The county's economic fabric includes multinational defense firms such as Lockheed Martin, Huntington Ingalls, Raytheon, BAE, and SAIC. Beyond defense, the Bremerton-Silverdale metro area ranks second in the U.S. for patent generation, underscoring the region's innovation and potential for technological advancement.

HEALTHCARE

St. Michael Medical Center serves as the regional hub for Kitsap's growing healthcare industry. The healthcare sector in Kitsap County includes a wide range of facilities, services and specialty practices including Seattle Cancer Care Alliance (SCCA) Peninsula, a new Veterans Affairs Clinic, family care clinics, cardiac care, mental health facilities, assisted living centers, in-home health operations, physical therapy, homeopathic care, pharmacies, medical equipment sales and rentals, cancer care facilities, and medical laboratories. Workforce needs are supported with multiple healthcare career pathways, certificates, and degrees through Olympic College. St. Michael Medical Center opened December 2020 following a \$500 million expansion and offers the very latest in technology, ecological design, and healing comfort. The brand-new hospital provides emergency, trauma, and surgical care as a Level III Trauma Center. St Michael Medical Center is a part of Virginia Mason Franciscan

Grounded in a grassroots movement, Illahee Preserve is the embodiment of a community-driven endeavor dedicated to preserving and nurturing a verdant expanse adorned with nature's wonders. The park features meandering trails that wind through lush forests, wetlands, and diverse habitats, creating an idyllic backdrop for a range of outdoor activities, including hiking, bird watching, and the simple act of communing with nature. Its diverse network of trails isn't just an avenue for an escape into nature; it serves as a recreational haven offering a spectrum of options, from leisurely strolls to invigorating hikes, tailored to accommodate the varied preferences of residents seeking outdoor pursuits.
