545 RONLEE LN NW, OLYMPIA, WA

### EXECUTIVE SUMMARY

545 Ronlee Ln NW presents a compelling industrial investment or owner-user opportunity within the established Bayside Business Park. The property consists of two warehouse buildings totaling approximately  $\pm 8,000$  square feet, situated on a  $\pm 1.19$ -acre fenced and gated site. Originally constructed in 2002, both buildings are designed to support cold storage, refrigeration, and temperature-controlled operations, making the asset well-suited for food distribution, agricultural uses, or specialized industrial applications.

The facility is powered by robust electrical infrastructure, including 480Y/277V 3-phase service with panels up to approximately 400 amps and step-down transformers to 208/120V, enabling efficient operation of heavy refrigeration and mechanical systems. Building A ( $\pm 4,000$  SF) features two warehouse bays with three grade-level roll-up doors, while Building B ( $\pm 4,000$  SF) includes warehouse space complemented by office, kitchenette, and storage areas, along with one grade-level door and clear heights ranging from approximately 17' to 21'.

The property's Rural Commercial Center (RCC) zoning supports a range of industrial and commercial uses, and the fully fenced yard with secured access provides functionality for outdoor storage and operations. Previously utilized for agricultural distribution through March 2026, the site is well-positioned for continued industrial use.

Strategically located with convenient access to Highway 101 and nearby commercial services, the property offers both operational efficiency and long-term value in the Olympia industrial market.
