THE OFFERING

13450 1st Ave S, Burien, WA 98168

Brown Retail Group of Marcus & Millichap has been selected to exclusively market for sale a **former 7-Eleven Owner/User opportunity located in Burien, WA (Seattle MSA)**. The property is a high-visibility, signalized hard corner at 1st Ave S & S 136th St (22,000+ VPD), with multiple points of ingress/egress and strong access to both Hwy 509 (62,700+ VPD) and Hwy 518 (65,000+ VPD). The property features a 4,250 SF freestanding retail building currently master leased to 7-Eleven, comprised of a vacant 2,500 SF former c-store and a 1,750 SF Thai restaurant. Upon termination of the 7-Eleven master lease prior to closing, the property will be delivered vacant, providing a new owner with full control to operate the former c-store while leasing the adjacent suite. The property generates approximately \$5,000 per month from Thai-U-Up Thai Restaurant, which operates under a sublease with 7-Eleven. Upon lease termination, a new owner can establish a direct lease and retain this income stream to help offset occupancy costs. In addition, the property benefits from a long-term billboard lease in place since 1999, currently paying \$3,000 annually plus percentage rent, offering a clear value-add opportunity through renegotiation at market rates. Located within the SeaTac/Burien retail submarket (~1.3% vacancy), the property benefits from limited supply and strong demand for service- and convenience-oriented uses. The surrounding area includes a dense population of approximately 243,000 residents within a 5-mile radius (average household income \$121K+), along with close proximity to Kennedy Catholic High School (850+ students) and a top-performing Fred Meyer (top 2% nationally; 1.8M+ annual visits). The property is also zoned MU-2 (Mixed-Use High), allowing for a wide range of uses and building heights up to 85 feet, providing long-term redevelopment flexibility. Additionally, Washington State has no income tax.

THE HIGHLIGHTS

OWNER/USER OPPORTUNITY

The property features a 4,250 SF freestanding retail building which is currently master leased to 7-Eleven and split into two suites. There is a 2,500 SF suite previously occupied by a 7-Eleven convenience store and a 1,750 SF suite currently subleased to a Thai restaurant. The Seller will terminate the master lease with 7-Eleven at closing, allowing the new owner full control of the property at closing and the flexibility to operate the former c-store while leasing the adjacent suite, or reposition the entire asset.

OPTION TO RETAIN IN-PLACE INCOME FROM RESTAURANT | ~\$5,000/MONTH

7-Eleven currently subleases the 1,750 SF suite to Thai-U-Up, a successful food truck since 2013 which grew enough to open a full restaurant in 2018. A new owner has the option to negotiate a new, long-term lease with Thai-U-Up upon termination of the 7-Eleven master lease, retain the established income stream and offset some of its occupancy costs.

LONG-TERM BILLBOARD LEASE WITH SIGNIFICANT UPSIDE

The property features a billboard lease that's been in place since 1999, which operates in auto-renewing 5-year lease terms, with both landlord and billboard tenant having the option to renegotiate or terminate the lease within 30 days of the lease expiration date. The billboard lease pays \$3,000/year in rent, with percentage rent providing for additional income. Market rents are estimated at \$1,000-\$2,500/month, presenting a significant value-add opportunity through lease renegotiation upon expiration of the current term in 2029.

HIGH-VISIBILITY, SIGNALIZED HARD-CORNER LOCATION (22,000+ VPD)

The property is located directly at the signalized intersection of 1st Ave S and S 136th St with visibility to over 22,000 VPD and is nearby both Hwy 509 (62,700+ VPD) and Hwy 518 (65,000+ VPD) with easy access from exit ramps, has multiple points of ingress/egress, and features prominent pylon signage.

LOCATED NEARBY TOP 2% RANKED, HIGH-TRAFFIC FRED MEYER

The Property is positioned a few blocks from a Fred Meyer that ranks in the top 2% of all grocery stores nationally and receives more than 1.8 million visitors annually (per Placer.ai), providing strong, continuous traffic flow and visibility for the site.

FLEXIBLE ZONING (MU-2) WITH LONG-TERM REDEVELOPMENT POTENTIAL

The property is zoned MU-2 (Mixed-Use High) which permits numerous commercial, mixed-use, and residential uses including nearly all retail, office, and government uses—offering exceptional flexibility for owner/users from nearly any business sector. Additionally, the zoning allows for a building height up to 85 feet, providing for long-term redevelopment potential.

STRONG RETAIL TRADE AREA SURROUNDED BY NATIONAL TENANTS

Located within a dynamic retail corridor surrounded by numerous national retailers including Fred Meyer, LesSchwab, Safeway, Jack in the Box, Discount Tire, Staples, AutoZone, LA Fitness, PetSmart and more—driving consistent consumer traffic and reinforcing long-term tenant demand.

CONSTRAINED RETAIL SUPPLY | 1.3% MARKET VACANCY

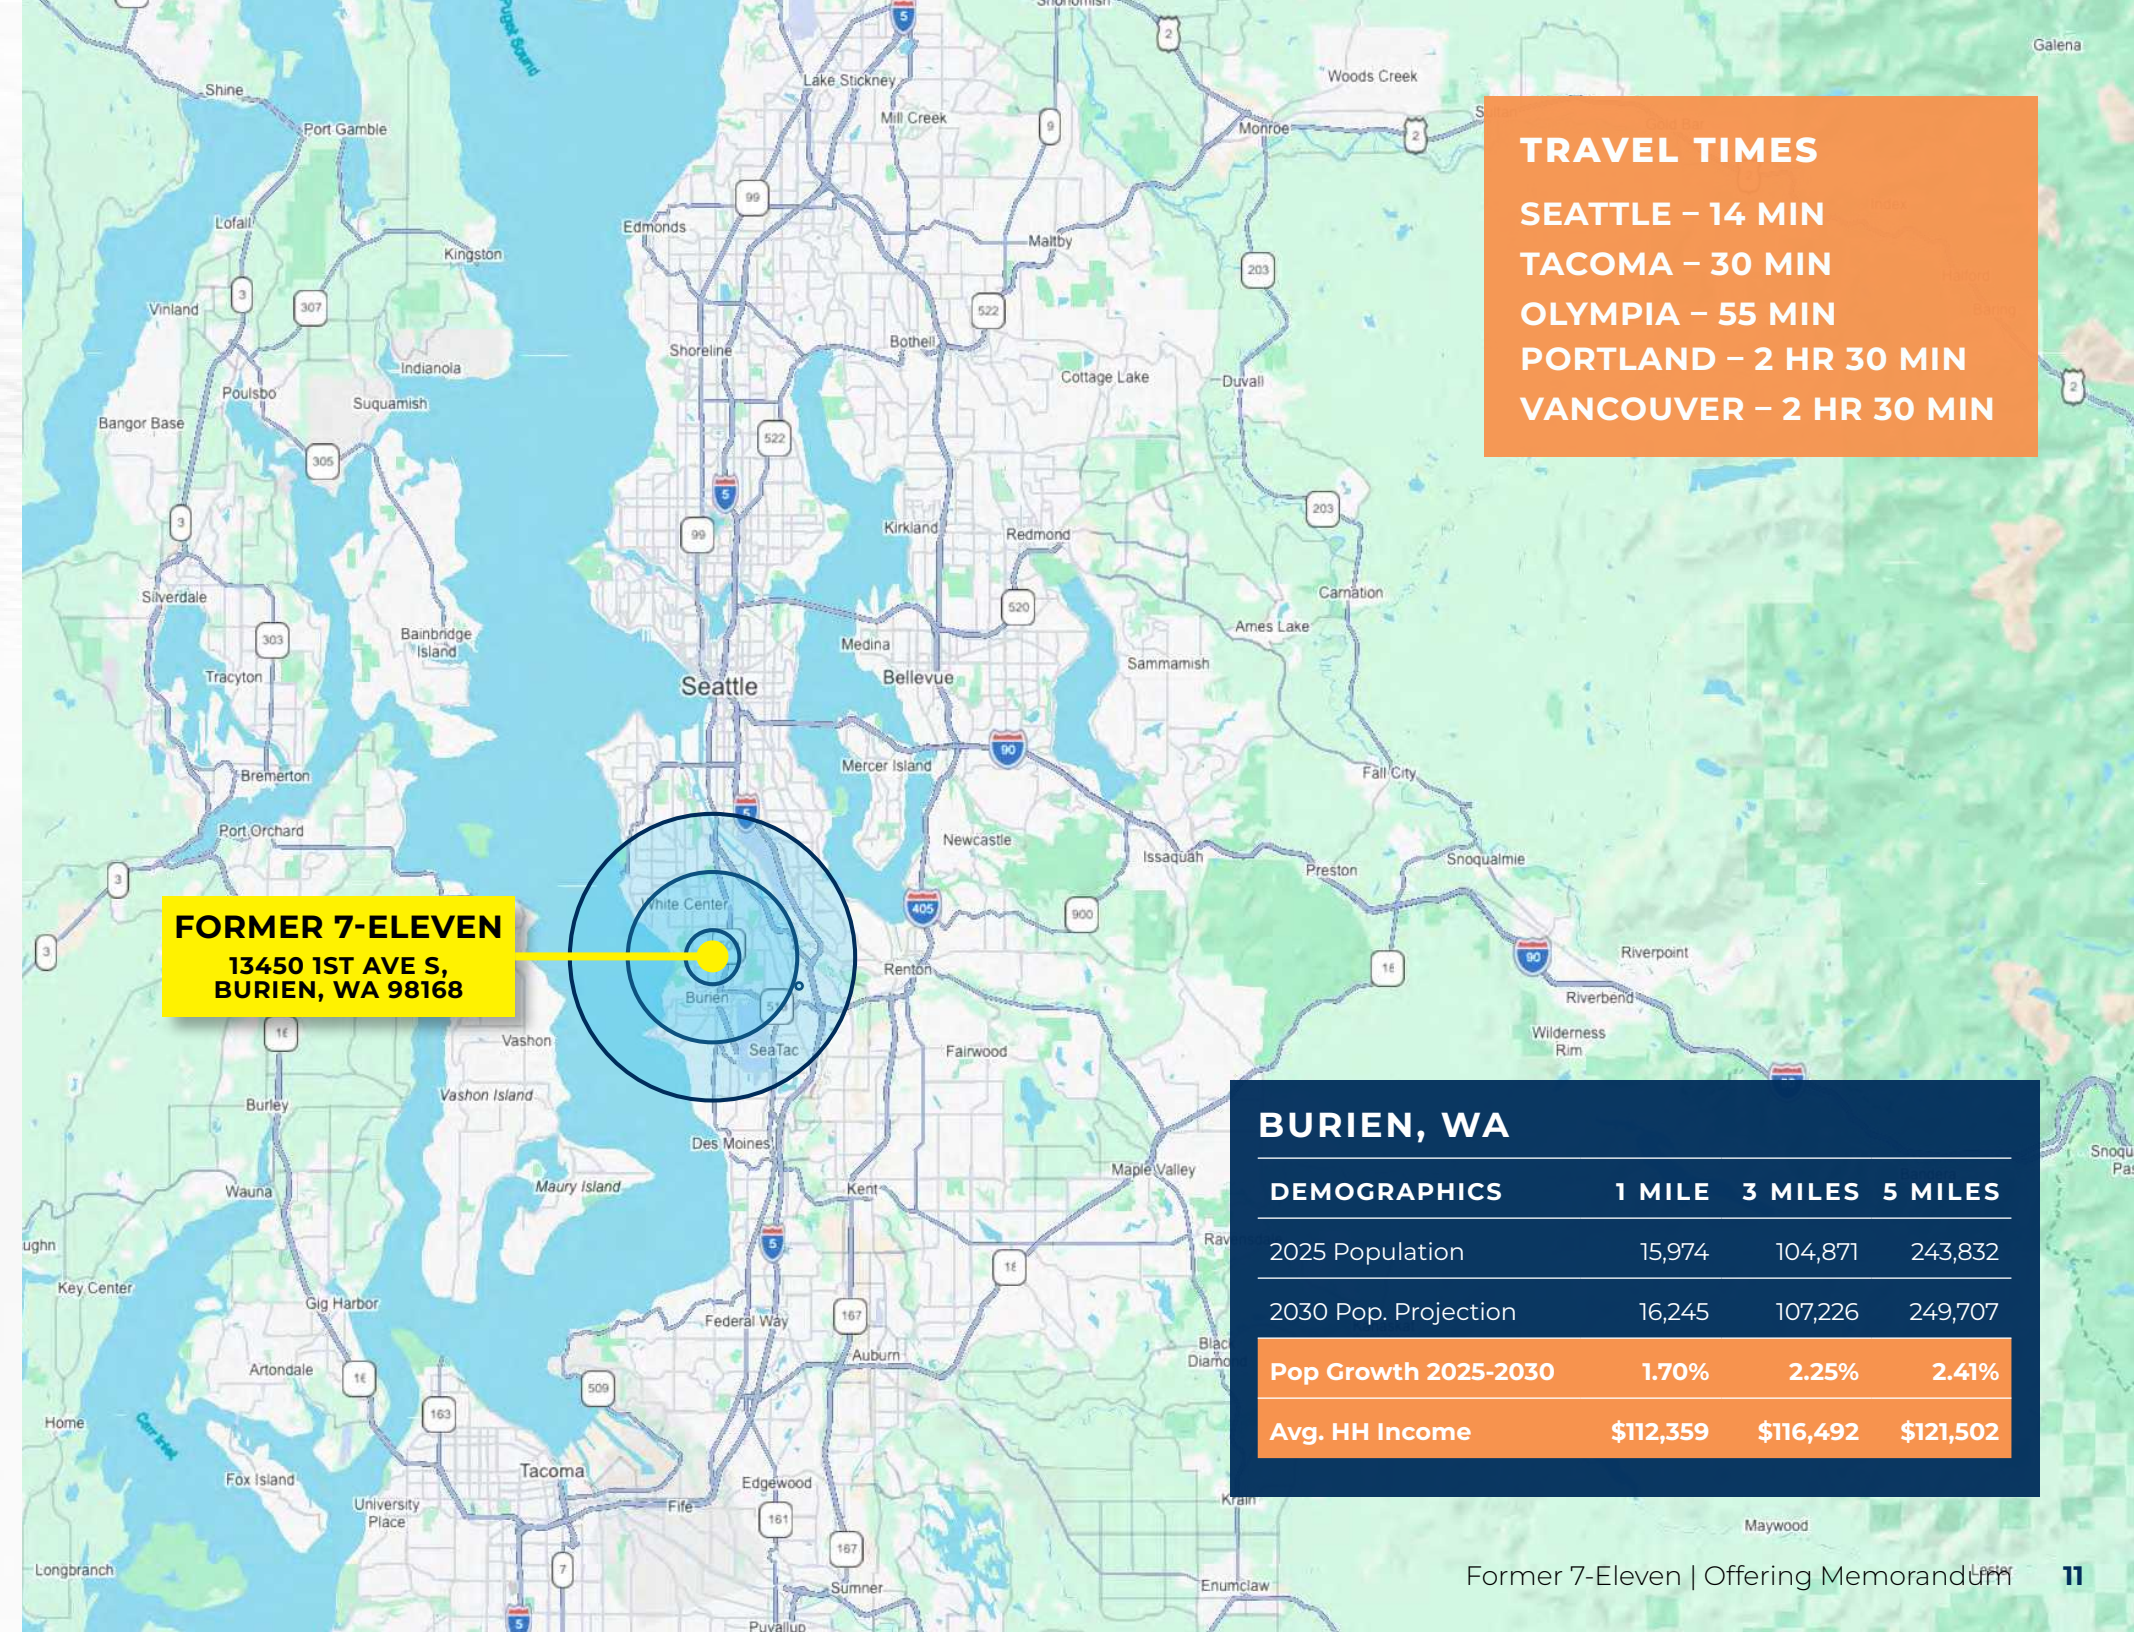

The SeaTac/Burien retail submarket features a low vacancy rate of approximately 1.3% per CoStar, reflecting limited availability of well-located commercial sites and supporting long-term demand for high-visibility, service and convenience-oriented uses.

DENSE, AFFLUENT DEMOGRAPHICS

The property benefits from a population of approximately 243,000 residents within a 5-mile radius, with average household incomes exceeding \$121,000.
