- Urban Village / Urban Center

SITE MAP

PHOTOS

NEIGHBORHOOD COMMERCIAL 2

A moderately-sized pedestrian-oriented shopping area that provides a full range of retail sales and services to the surrounding neighborhood, such as medium-sized grocery stores, drug stores, coffee shops, customer service offices, or medical/dental facilities. Building types are single-purpose commercial structures, multi-story mixed use and residential structures. Non-residential uses typically occupy the street front. 25,000 square feet is the maximum size for some commercial uses.

HEIGHT LIMIT

55 Feet.

PEDESTRIAN-DESIGNATIONS (P)

Designations are applied to NC and zones along pedestrian-oriented commercial streets. The P designation preserves and encourages an intensely pedestrian-oriented, retail-shopping district where non-auto modes of transportation both to and within the district, are strongly favored.

TYPICAL LAND USES

Medium-sized grocery stores, drug stores, restaurants, coffee shops, customer service offices, medical/dental facilities and apartments.

BUILDING TYPES

Single purpose commercial structures, multi-story mixed-use and residential structures. Non-residential uses typically occupy the street frontage.

STREET-LEVEL USES

No limit on mix of residential and non-residential uses, except where P zones or other mapped areas limit residential presence at street level.

MAXIMUM SIZE OF COMMERCIAL

25,000 SF for most uses; 50,000 for multipurpose retail sales facilities.

PARKING LOCATION

Parking must be located at the rear or side of a building, within a structure, or off-site within 800'. Parking between a building and a street is not allowed. Parking to the side of a building is limited to 60' of street frontage. Within a structure, street-level parking must be separated from the facade by another permitted use.

PARKING ACCESS

Parking access must be from the alley or a non-principle pedestrian street. If not feasible, parking access is limited to a single two-way curb cut on a principal pedestrian street.

“M”-DESIGNATIONS (MHA)

Indicates a Mandatory Housing Affordability (MHA) Requirement. A percentage of new development must include affordable housing units or developers must pay into a fund that will support the development of affordable housing.

LOCATION

COLUMBIA CITY

Seattle's south-end neighborhood of Columbia City is home to one of the city's most diverse and long-standing communities. This thriving, walkable business district is filled with bars, trendy grocery stores, acclaimed restaurants, bakeries, coffee shops, boutiques, art galleries, breweries, and live music venues.

As one of Seattle's eight designated historic landmark districts, Columbia City has managed to retain its distinctive character even amid significant new development. While you'll find modern condos and apartments, the area still boasts charming neighborhood shops and elegant homes, giving it the feel of a small town with all the conveniences of urban living. Residents often speak with pride about the neighborhood's strong sense of community.

Reflecting its diversity, Columbia City offers an impressive range of dining options—from Ethiopian and Thai to American, Mexican, Caribbean, and Japanese cuisine. The neighborhood's unique character extends to its independent shops, bookstores, and toy stores. During the summer, the popular Columbia City Farmers Market draws visitors from across Seattle.

Many residents enjoy a car-free lifestyle thanks to the neighborhood's exceptional walkability and access to public transit. The Link Light Rail provides fast connections to downtown and beyond, while nearby routes like 15th Avenue South and South Graham Street offer quick access to I-5. Major arterials such as MLK Jr. Way and Rainier Avenue provide alternate north-south routes and connect with I-90 for easy Eastside commutes. Average drive times to work hover around 28 minutes, with many residents traveling across Lake Washington for jobs on the Eastside.

Community engagement runs deep in Columbia City. Bike Works, a local nonprofit, teaches kids how to repair bikes in exchange for earning one of their own. The Boys & Girls Club recently opened a new regional facility, while Genesee Park and Playfield houses the Rainier Valley Community Center. Nearby, the Rainier Arts Center and Southside Commons, situated on either side of Columbia Park, serve as hubs for arts and cultural events. The Rainier Valley Historical Society documents and shares the neighborhood's rich history. Additionally, the SouthEast Effective Development (SEED) organization supports affordable housing, economic development, and the arts—including projects like the Columbia City Gallery and the Rainier Arts Center.

SEWARD PARK

Seward Park boasts 300 acres of beautiful forest land, home to eagles' nests, old growth forest, a 2.4 mile bike and walking path, an amphitheater, a native plant garden, an art studio, miles of hiking trails, shoreline, beaches and more.

COLUMBIA CITY GALLERY

Columbia City Gallery (CCG) is a collective that brings together emerging and professional artists working in diverse media, including painting, printmaking, mixed media, sculpture, glass, ceramics, and jewelry.

KUBOTA GARDEN

Kubota Garden is a stunning 20-acre landscape that blends Japanese garden concepts with native Northwest plants. The city acquired the property, a historic landmark, in 1987 from the estate of master landscaper Fujitaro Kubota.

GERALDINE'S COUNTER

Comfort-food meets diner with a strong community vibe.

COLUMBIA CITY THEATER

Built in 1917, this theater hosts entertainment of all genres. It has a rich history that includes being a vaudeville theater, movie theater, and a venue for live music and performances.
